

Dimitrios Siassakos

Dimitrios is a Consultant Senior Lecturer in Obstetrics at the University of Bristol. He is Co-Chair of the Scientific Committee of the International Stillbirth Alliance, and National Simulation Adviser to the RCOG. He is executive member of the Stillbirth Clinical Study Group, and lead author of the national RCOG Stillbirth guideline.

Dimitrios leads a comprehensive portfolio of stillbirth research, including; the INSIGHT study to understand and improve care after stillbirth, inform an integrated care pathway, and develop staff training; the PARENTS study to involve bereaved parents in the hospital perinatal mortality review; the Lancet Stillbirth systematic reviews; and the iCHOOSE initiative to develop a Core Outcome Set for stillbirth trials together with parents. He is Lead Editor of a BJOG issue on Stillbirth.
