

Prof Gordon CS Smith

Gordon Smith is Professor and Head of the Department of Obstetrics and Gynaecology, University of Cambridge, UK. He graduated in Medicine from Glasgow University in 1990 and has subsequently received three doctoral degrees from Glasgow (MD, PhD and DSc). He had Wellcome Trust clinical research training fellowships based in Glasgow University (1992-1993) and Cornell University, USA (1996-1999). His clinically orientated research focuses on using maternal, ultrasonic and biochemical data to predict adverse pregnancy outcome. He was elected a Fellow of the Academy of Medical Science in 2010. He is clinically active as a Consultant in Maternal-Fetal Medicine at the Rosie Hospital, Cambridge.
